On the first day of the week, Mary of Magdala came to the tomb early in the morning, while it was still dark, and saw the stone removed from the tomb. So she ran and went to Simon Peter and to the other disciple whom Jesus loved, and told them, "They have taken the Lord from the tomb, and we don't know where they put him." So Peter and the other disciple went out and came to the tomb. They both ran, but the other disciple ran faster than Peter and arrived at the tomb first; he bent down and saw the burial cloths there, but did not go in. When Simon Peter arrived after him, he went into the tomb and saw the burial cloths there, and the cloth that had covered his head, not with the burial cloths but rolled up in a separate place. Then the other disciple also went in, the one who had arrived at the tomb first, and he saw and believed. For they did not yet understand the Scripture that he had to rise from the dead.

When you find yourself in the same predicament over and over again, look in the mirror. The reason is staring you right in the face.

The road to recovery is not meant to be traveled alone. You will find that you need three relationships. Most important is a relationship with Jesus Christ. In addition, you need the relationship of your recovery group or a church family. Last, you need the relationship of a sponsor and/or accountability partner.

Identifying a sponsor and/or accountability partner is especially important before moving forward to getting right with God, yourself, and others. This week we will be talking about how to find the right SPONSOR appropriate for you on your journey.

Experience a safe and welcoming place and see what Celebrate Recovery can do for you this **Tuesday at 7 p.m. in the Sacred Heart Social Hall.**

Safe place! No mask, No judgement, Absolute Confidentiality.
